Good morning

will write a little more this morning as it is still raining it rains all night and I guess it is going to rain all day. This is pretty hard luck for me.

I wish I hadn't sent for my tools, I wanted some home so if you have not sent them don't.

This is no place for a poor man to try to set a home they don't want any one only people with lots of money that the, it look to me

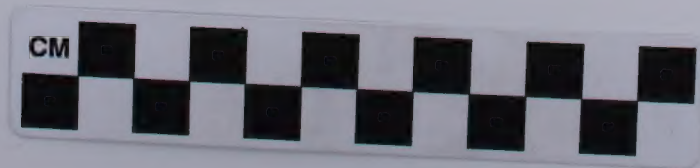

It takes too money to live here  
So if anything comes up down  
there that I can do let me know

Well I guess I will have to  
close and get this in the  
mail will write again soon

Will go down and see  
what I can do about  
your 5 acres and see if  
I can do anything with  
them

Write soon  
Love to all

2) that I can do. If I hadn't  
of sent for my tools I would  
come home, but will try and  
stick it out for a little while  
longer ~~that~~

There is going to be lots of  
work here after while in the  
way of building I'm working  
for a contractor that has got  
four or five houses to build

If I had some one to help  
me I would go to contracting  
but would half to put up  
bonds and that I can't do

Well I worked yesterday and  
part of today untill it began  
to rain. Boy how the wind does  
blow it blows worse than it  
does down there

3) Well the ocean was not very  
bad the day I came up here but I  
guess it is bad today the way the  
wind ~~blows~~  
I have got those keys and will  
try and send them back

Well my dear girls I wish you  
were here or rather I was there, those  
letters made me ~~home~~ sick, but  
will try and stand it a little while  
longer. Help mama all you  
can and be good girls maybe  
some day you will be up here to  
I wish you would write to  
the colony people and ask them  
what they will do about exchange  
I can't get much out of them  
they want to give us something  
that is no good

If I stay up here much longer  
I wish you would send me some  
bed clothes so I ~~can~~ get

answer your most kind and  
loving letter I received this  
morning and was ~~was~~ <sup>was</sup> ~~ougbtfuly~~  
glad to hear from you all  
I only wished it had of  
been you all here instead  
of the letter

I tell you it is ougbtful  
lonesome here when it comes  
night. I don't believe I  
can stand it very long it  
is such poor ~~acomodations~~  
and it costs so much for  
board and room it costs  
me \$2 or a day the best that
